Heather Pahl dba HeatherSong is the artist / vocalist / musician / writer / arranger / producer and engineer behind HeatherSong. Solely responsible for all releases and marketing. Residing in Vancouver, Washington near Portland, Oregon, she does not perform live but is a recording artist/producer. Her first release was a 2005 Christmas cd called YO, IT'S CHRISTMAS! still available through CDBaby. Heather currently offers only original digi releases at her website and through CDBaby, iTunes and numerous other digi services. Do a lookup under HeatherSong for both artist and label. Heather has been a singer/songwriter her whole life and produces a deliberate and often surprising variety of style and lyric, including instrumentals of many flavors. Some are fun, exquisite, high-energy or creatively over-the-top. Innovative and diverse . . . HeatherSongs.
