Hey! – (angry grunt) -- Don't you tell me . . .

Can't pay my bills blues Don't like to lose *(don't like to lose)*

Can't pay my bills blues *(audible grimace)*

Man wants to know He wants to know *(he wanna know)*

What kind of woman I am I've earned the right to stand

Out in the street *(out in the street)* Where we all meet

To think the blues *(and I got the blues)* To feel abused

Did you see me  On the TV
In the big riot I thought I'd try it

I was right there They didn't care

Nobody asked me my name None of the good ever came

Man don't you ask me to vote 'Cause I got none to promote

But for this gun that I tote

One thing I know -- I know that it's so
Is I have been cheated -- I've been mistreated

Some got the money – power

And some get used Some get abused

Some got the bread They get ahead

And some – they got the blues

Some got the bread While they get ahead

Others get the blues . . . the blues . . .

the blues . . . **Don't shoot that gun!**
