Sentimentally mine – memories -- what I thought was true  
Sentimentally mine – feeling I belong with you  
Painfully – painfully – I am standing free  
I must release – release – sentimentality

a 4-song digi album

Sentimentally mine – the old times – friends we used to share  
Come by to see me -- call me -- tell me they still care  
Where are you? Where's your heart? How was I to know?  
When I give my promise -- you take my heart and go

**Oh sentimentality**  
**That was my mistake**  
**Sweet sentimentality**  
**The key to my heartbreak**  
*(up from C major to C# major)*

Oh true love try me – don't slip by me – ready for the takin'  
Keep and protect me – respect me – there'll be no trouble-makin'  
Hopefully – hopefully my life will renew  
If I can release all that I thought was you

If I wait patiently – patiently  
Sadness I will find  
Disappears with all the tears  
That are so sentimentally mine, sentimentally mine . . . It's all about me!
